Belinea 10 19 30

Versatile and comfortable

The Belinea 10 19 30 combines optimum image performance with high ergonomic comfort and is suitable for a variety of mid-range applications.

The short reaction time of just 8 ms, integrated loud speakers and the DVI-port demonstrate their strengths in particular when used for multimedia and video animations. The Belinea 10 19 30 is also characterised by its flexible settings options, which include lift and pivot functions. The ability to adjust the height gives the user a high degree of ergonomic comfort. In addition, the screen can be turned through 90° thanks to the integrated pivot function. This means that the screen can be placed in the classic landscape position or in portrait format. A high contrast value of 600:1, providing lively colours and clear images, rounds off the display's high-quality features.
